10,000 Children in Central Virginia

Ensuring infants and children are clean, healthy, and cared for is the heart of what we do. Each month, we fulfill 250 direct requests for supplies, equipment, and clothing to those in need. Last year, we distributed over 1 million diapers.

Infants Needing Safety

Addressing the need for safe transportation and safe sleep is critical. LHVA provides car seats, pack-'n plays, strollers and high chairs to low-income families in our region. We are the Central Virginia's emergency supplier of car seats.

130 Partner Organizations

Distributing baby diapers and essentials to a growing network of partner organizations ensures more families receive support during their most crucial times of need. We're proud to be the "go to" source for our partners.

HOW YOU CAN HELP

\$10,000

Coordinates urgent requests with prompt and compassionate support. This means our Little Hands team is there to answer the call and help families who are worried and stressed.

\$5,000

Provides LHVA with a month of vital safety items, such as car seats and pack 'n plays, to ensure the well-being of precious infants.

\$2,500

Funds a month of diapers for 100 infants, so families don't have to choose between buying food or diapers for their baby.
